INSTRUCTIONS

- Step 1 : Print the patterns for both the upper and lining according to your shoe size by clicking the provided link.
- Step 2 : Trace the upper embroidery design onto the canvas fabric using tracing paper.
- Step 3 : Embroider the design with punch needle and choice of yarns. Begin by punching the leaves from the wrong side, then trim them, and proceed to fill in the remaining details from the right side.
- Step 4 : Cut the upper panel carefully along with the allowance.
- Step 5 : Trace and cut the lining from suede fabric according to the pattern.
- Step 6: Attach the lining to the upper using the stitch and flip technique, ensuring a secure and neat finish.
- Step 7: Stitch cotton rope along the outer edge of the upper for added embellishment.
- Step 8: Cover the insole with suede fabric to enhance comfort
- Step 9: Adhere the upper to the insole using a strong adhesive.
- Step 10: Use the provided nylon thread to create a false stitch in the sole and attach it to the insole using a strong adhesive or directly stitch the insole part to the sole.
- Step 11: Apply botties tags on the outside of your shoes.
- Step 12: Your cozy maple mules now ready to wear.

TIPS & TRICKS

- Mark the centers on each panel while tracing.
- Use different punch techniques to enhance the design.
- Cut the extra threads and secure them with glue before attaching the lining.
