# INSTRUCTIONS

Step 1 : Print the pattern for both the upper and lining according to your shoe size by clicking the link provided.

Step 2 : Trace the leaves on each piece of leather and cut them out (orange, blue, beige). Cut them carefully.

Step 3 : Trace the base panel on navy blue leather and cut it carefully.

Step 4 : Place the leaves on the base panel and make a double top stitch in the center of each leaf with matching thread, as shown in the pattern.

Step 5 : Trace the lining panels on faux leather and cut them carefully.

Step 6 : Paste the lining with the upper panel and stitch it from the sides.

Step 7 : Cover the insole using faux leather lining (fold the extra allowance underneath).

Step 8 : Adhere the upper with the insole using adhesive.

Step 9 : Using the nylon thread provided in the pack, make a false stitch in the soles and join it with the insole using a strong adhesive or directly stitch the insole with the sole.

Step 10 : Apply botties tags on the outside of your shoes.

Step 11 : Your Leafy Leather Slippers are ready to wear.

# TIPS & TRICKS

- Join all the panels by aligning the centers.
- Use different styles of stitches on sole to make it more attractive.
