# INSTRUCTIONS

- Step 1 : Print the patterns for both the upper and lining according to your shoe size by clicking the provided link.
- Step 2 : Trace the upper onto the shearling fabric and cut it out carefully.
- Step 3 : Apply fabric fusing to the upper panels for reinforcement.
- Step 4 : Cut saddle from faux leather.
- Step 5 : Stitch the saddle on the apron part of the loafers as directed in the pattern
- Step 6 : Align the centers and stitch the vamp at the back.
- Step 7 : Stitch apron with vamp from right side (trim extra allowance at the edge).
- Step 8 : Give faux leather piping to cover the raw edge.
- Step 9 : Trace and cut lining from suede fabric.
- Step 10 : Attach lining to the upper using stitch and flip technique.
- Step 11 : Give faux leather piping at the neck.
- Step 12 : Cover the insole with suede fabric.
- Step 13 : Adhere the completed upper to the insole using a strong adhesive.
- Step 14 : Use the provided nylon thread to create a false stitch in the sole and attach it to the insole using a strong adhesive or directly stitch the insole to the sole.
- Step 15 : Apply botties tags on the outside of your shoes.
- Step 16 : Your shearling BIT loafers are now ready to wear.

# TIPS & TRICKS

- Mark the centers on each panel while tracing.
- Secure the centers with pins while stitching to prevent displacement.
- Embellish the saddle to beautify your loafers.
